OCEAN BOUND'S GAZELLE

WOODFORD CLAY'S GREAT FILLY SCORES FASY VICTORY IN GRAVESEND FIXTURE.

Stanley Fay Shows Sudden Improvement and Take Firestone's Measure in Race in Which Hilarious Makes Inauspicious Debut.

New York, June 1.—Woodford Clay's Ocean Bound scored an exceedingly casy victory in the Gazelle Stakes at Gravesend this afternoon. She only had to canter a mile and a sixteenth in 1:52 to beat the fillies that opposed her. She won the race by cutting out a pace that wearied her adversaries in the early stages. James R. Keene added Infatuation at the last moment, and she was the one to place. She was second only because Ethel D. tried to beat the favorite, and that took so much out of her that she collapsed in the stretch. Infatuation was knecked back on the first turn and to take the place had to close a big gap.

The Gazelle Stakes has been run since 1887. Its history since 1900 is given in the table below: Year. Winner. Wt. Jockey. Val. He had no chance for the reason that he ran ont on the turn into the backstretch, Glucose saved third money after haying forced the pace to the head of the stretch.

CONDENSED HISTORY OF THE EXPECTATION STAKES

At Gravesend this afternoon the Expectation Stakes will be run for the twenty-third time. It is one of the list of stakes devised by the Brooklyn Jockey Club for its inaugural meeting in 1887 and has been run every year since except in 1909. It has always been a race of good value and as such contested by youngsters of which many afterwards proved of great worth as race horses, especially such as King Fish, Buddhist, Banquet, Belisarius, Osric, Yorkville Belle, Utica, Floretta, George Kessler, Winged Foot, Handball, Kingdon, Prince of Melbourne. All Green, Broomstick, Superman, De Mund and Blackford. It is of the guaranteed value of \$3,500 bits year, but by reason of having a big entry list will probably be more valuable than that sum to the winner alone. The record of the event is as follows:

LOUISVILLE'S ONE STAKE RACE OF THIS AFTERNOON

The Louisville Handicap is an event of interrupted history. It was first run as far back as 1895, when it was won by the capital race horse, Henry Young. The next year it was won by another good racer when E. F. McLean's Loki defeated The Commoner and Ben Holladay. Then it was dropped for a year and revived in 1898 to fall prey to Pat Dunne's speedy horse, Estaca. In 1899 the Tennessee crack, Bangle, won it, with the unlucky Isabey second, and then the race was again abandoned and not reinstated in the Louisville stake list until in 1907. Previously it had been a dash of a mile and a sixteenth, but it was now made a face for sprinters at three-quarters of a mile. Its record to date 18:

HANDICAP AT CHURCHILL DOWNS FAR FROM BEING A TRUE RUN AFFAIR.

Meadow Given Advantage at Start and Two of the Contenders Fall-Racing Commission to Meet and Starting Rule May Be Modified.

Louisville, Ky., June 1.—A handleap at one mile, in which some of the best racers here, including the Latonia Derby candidates, Boola Boola and John Furlong, were starters, furnished the chief incident of this afternoon's racing. Austin, who was astride John Furlong, was unseated in some unaccountable manner while in a contending position and appeared to lawe received serious injury. He was carried to the Emergency Hospital in an unconscious condition, but regained his senses after a time. Previous to Austin's mishap, jockey Cole, on Handzaretta, had been crowded to a fall in the race, but he escaped without a mark. Cole blamed his spill on J. Wilson, who was astride Meadow, the winner. The latter was an overwhelming favorite and was favored by an advantage at the start that virtually gave her the race. Ocean Queen, the early pacemaker, was allowed to lead on sufferance. The straggling start, coupled with the many mishaps during the running, enabled Belle Clem to land third place, she being one of those to escape interference. Boola Boola landed fourth and was worked out a mile and a quarter for the Latonia Derby. He went the distance in 2:088 handily.

Fine weather and the prospect of good sport attracted a big crowd to Churchill Downs this afternoon. The success of a majority of the favorites contributed to their enjoyment. Labold's victory over Princess Industry and Wolferton's unexpected success in the closing race were disappointments.

Secretary Bidwell received instructions today from Chairman Clay of the Kentucky State Racing Commission to call a meeting of that body for next Saturday at Lexington. The object of the meeting was not announced, but it is said that a general review of racing conditions will be made, a hearing to John Marklein granted and the starting rules modified, if not rescinded entirely. The horses formerly trained by Marklein will, it is said, be reinstated.

Nealon, winner of the Suburban Handicap, and the useful racer, Animus, reached here today from New York to join four two-year-

"The liability bill applies to owners of buildings in which gambling may take place, also to owners of any place or enclosure. Betting is indulged in at ball games, at the boxing bouts and in billiard rooms and bowling alleys. Under the proposed law the owners of such enterprises can be held criminally liable. It is unfair legislation and will lead to persecution unless it is checked. Mr. Belmont feels sure that Governor Hughes has not had a chance to look into the nature of this measure and that is why the Jockey Club has asked for a hearing."
